the real beauty is into $F_n = \frac{1}{\sqrt{5}} \left(\left(\frac{1+\sqrt{5}}{2} \right)^n - \left(\frac{1-\sqrt{5}}{2} \right)^n \right)$ the proportion

The match maker conception is defined based on the proportion, as the real charm is derived on the proper weightage of plain color and wooden or stone to make space standout.

An exceptional choice for an understated aesthetic, as it has a low sheen and creates a subdued visual presence. It pairs well with many design styles, from traditional to minimalist.

There is no Planet 'B'

We stand at a critical phase. Earth is our sole sanctuary. There is no viable Planet B waiting in the cosmos for humanity to migrate to. We must recognize that the air we breathe, the water we drink, and the land that sustains us are irreplaceable. Saving our Earth is not an option; it is a fundamental act of survival.

Do not use active acidic chemicals or sharp / wired brushes for cleaning the HPL Laminate surfaces.

Extra care required in vertical pasting of sheet as there is possibility of bubbles due to lack of uniform pressure.

Cracking at corners & around cuts may be caused by improper conditioning, improper bonding, poor planning.

INSTALLATION GUIDE & PREVENTIVE MAINTENANCE
